A Few Words To Remember

For every end, there must have been a beginning. High School is just the beginning for many opportunities,such as friends that last for a lifetime. When High School is over, a student will leave with many memories from numerous years spent. Those memories will include trying to find the way around Hopewell High,Mr. Denzler telling us to get to class and even the teachers that spent their days making our futures as bright as possible. This 2003-2004 year has been a memorable one with events such as Hurricane Isabel and having to extend the school day until 3:05. Whatever the memories are, each and every student will leave with at least one great memory. We here on the yearbook staff hope to give you a glimpse of a year full of "I Remember When..."--Rosemary Waselchalk, Editor

Spirit Is Always Remembered

The Spirit Week of 2003 was a big success. Many of Hopewell High's students participated in this year's Spirit Week. The 2003 Spirit Week consisted of Mix-Match Day, Marti Gras Day, Cartoon Day, Gender Bender Day, and Blue and Gold Day. During Cartoon Day, students saw many SpongeBob and Tweety characters. During Mardi-Gras Day, the students saw different colored beads hanging around necks. The students of Hopewell High supported their Blue Devils by wearing blue and gold.

Thoughout the week, The Beta Club sold Spirit Links. Spirit Links is a competition to see which class buys the most. All the funding of spirit links went to Colten Hendrick to help with his heart transplant. The class officers of each class were allowed to decorate a float and place it in the Homecoming Parade. Unfortunatly, the Homecoming Parade was cancelled due to rain. The class officers were also allowed to decorate the hallways to see who would have the best schoo spirit. The seniors, class of 2004, won the float contest and the Spirit Stick. The freshman, class of 2007, won the hallway contest. The sophomores, class of 2006, won the Spirit Link contest.

On Gender Bender Day, there is always a powder puff game. The boys cheer and the girls play football. After the powder puff game, there is always a bonfire. At the bonfire, Hopewell High burns the a paper replica. We played the Meadowbrook Monarchs. The 2003 Spirit Week was a lot of fun. The students have a lot of fun dressing up differently everyday. It is a lot of fun seeing what other people are going to wear during Spirit Week. Homecoming Week is one of the biggest events at Hopewell High, and this year stood up to expectations!

A Team Not Worth Forgetting

This year's Softball team had many experienced players. Most of the players took the game very seriously. The girls had many defeats this season but also won several games. No matter how much they worked to try to be the best, they had fun doing it. The girls always held their heads high. At practice or at a game the team tried hard and worked very hard. The best game to some players would have to be the home game against Highland Springs in the rain. The girls played really hard in the rain to try to defeat Highland Springs, however the team lost the game Hopewell- two and Highland Springs -four. The coach this year was Ms. Jo Ann Tucker.

A Season To Remeber: JV Baseball

The JV Baseball team had a wonderful 2003 season. They had a record of seven wins and nine losses. Coach Irby was the head coach of JV Baseball and Coach Horne Jr. assisted him. The Hopewell High's JV baseball consisted of many newcomers. The only returning player was Daniel Hearington.

The Varsity Baseball Team was made up of many outstanding players in the 2003 season. The players attended a tournament at L.C. Bird in April, where they played extremely hard to keep their record. Hopewell Baseball had a district record of five losses and seven wins and their overall record was eight losses and fourteen were wins. Coach Saunders led the boys to victory along with the help of Coach Pershing and Coach Shelburne.

Hopewell High School girls varsity soccer had a good year. The overall record was 9 wins and 7 losses. The district record was 4 wins and 6 losses. The girls as a team worked hard at practice, but had lots of fun. If you want to call it hard work? They practiced in the rain, and practiced at odd hours, and eve scrimmaged against the boys J.V. and boys varsity soccer teams. Coach Brian O'Neill, and assistant coach Raye Parker worked hard to ensure a successful season. They won the Ukrop's play off soccer tournment.

I Remeber Getting a Kick From That Game: Varsity Boy's Soccer

This year's Boy's Varsity soccer team defeated three teams, and had a tie with another. Any person who plays Soccer knows it takes numerous amounts of practice and coordination for a game to go as well as planned. Any player could tell you how much it takes to be the best. Although defeated by challengers more than won, these guys kept strong and played until the end of the season.

The 2003 Freshmen didn't have many games this year. Many of the schools don't have a freshman team. The only places that had a freshmen team were Sussex, Clover Hill, Matoaca, Thomas Dale, Prince George, and L.C. Bird. Most of the schools that have freshmen teams are good for being so young. They played with much enthusiasm and spririt. This is Coach Weston's first year coaching. Together, they exhibited a lot of Blue Devil Spirit.

Varsity Field Hockey

Time to play some Field Hockey! This is Shalaina and she has her game face on.

Hopewell Varsity Field Hockey had a year to remember. The 2003 season had a team that worked so hard to prepare for the season. They started Field Hockey early each morning, even before the roosters start to crow. They started with the mile run, which was timed every other day. It was fun for theseniors, oh was it!! It was great!

2004

Go Senior Players!

Field Hockey

The games were on Monday, Tuesday, Wednesday, and sometimes Fridays. The games started at 4:00 p.m. or 4:30p.m and ended around 6:15 p.m. Sometimes, they went into overtime, which meant longer games. The team was so excited to find out that Hopewell would be the location for the Central District Tournament. The team's managers were Hillary Ross and Sam Mason. The Coaches were Coach Cashion, Coach Franchok, and Coach Rae Parker. The Field Hockey team won six games this season. At district tournament, Hopewell started 4th in the district. The game against Thomas Dale went into overtime. Hopewell ended up losing against Thomas Dale ,eliminating Hopewell from the tournament. The Hopewell Field Hockey team still walked with their heads high in the air. They played a good season and they gave it their all when times were good and bad. The Team cannot wait for the next season. Best of good luck to the Hopewell High School Field Hockey team

Hopewell's girls tennis went to Central District Tournment that was held at Meadowbrook.

Remembering the Mats

The 2003-2004 Wrestling team had a really good season. The wrestling team didn't have all their wrestlers at the beginning of the season due to the Hopewell High football team going as far as they did to the season. The first few matches the wrestling team had were without the football players. The wrestling team had six wrestlers top number 1 in districts including Jerrett Brown, Bobby Henderson, Chris Gotay, Brandon Randall, Maurice Thorne, Martin Akoi. Each topped thei weight class with being top wrestler. Hopewell also had a few wrestlers place 2nd,3rd, and 4th. Hopewell had two wrestlers go to regionals.

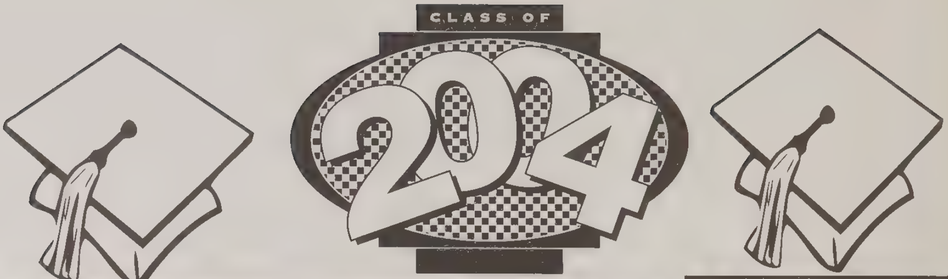
SENIORS



State Football Champs of 2003

The 2003 football team had a very exciting season. They started practice in August. Through heat and rain, the football team knew that they were going to go far this year. They played their games with enthusiam and excitement. Hopewell's football team was on a roll. They had beaten everyone they had come up against. Then, in late October, came the Homecoming game and Hopewell lost. Meadowbrook beat us 19-20. In the rain, they had lost their center, Brett Switzer, during the first quarter. Brett was taken out for the rest of the season. Even though Hopewell had lost the one game, Hopewell was still going to finish the season with a good record. When they had the chance to play Meadowbrook again in the Central District game, Hopewell was not going to let Meadowbrook go any further in the season. They won over Meadowbrook and went on to the state semi-finals. It was bitter cold on the day they played Indian River for the state finals. The players of Hopewell didn't let that get to them. They beat Indian River and headed off to state finals. Last year, the Hopewell team was crushed by their loss to Stafford. Hopewell players said that they would make it to states this year. They had their goals set ahead of time. On December 13, 2003, Hopewell went to University of Richmond to play Massapponax who had a 13-0 season. Once the four quarters were up, the score was 41-14, in Hopewell's favor. They won! The Hopewell High School football team are the State Champions of 2003. Hopewell High School was so excited about the football team winning the State Championship. In addition to the team being State Champs, head coach, Marshall Parker, has been named Coach of the Year. Throughout the season, Mr. Ron Woody of the FCA would come before every game and say a prayer with the team. Mr. Ron Woody came up with the saying "Feeding the Good Dogs." Mr. Woody is a wonderful and terrific man and the team was grateful to have him on the side lines.

I'll Always Remember You

The time to finally be a Senior has come for the Class of 2004. The times we will remember include our teachers, classes, work, and most of all our friendships. To be a Senior at Hopewell High School means many different things to different students. Graduating, to some seniors, could mean proving someone wrong and making it to the end. To others it means working to get into a good school. Whatever the cause, being a Senior is a special time in one's life, and shall always be remembered as a special time.

Teacher of the Year

Mrs. Vera Archie is the 2003 Teacher of the Year. She has been teaching for thirty years, and although she currently teaches Algebra II, Algebra-Trig, and Pre-calculus, Mrs. Archie has taught all levels of math except calculus. Mrs Archie's journey to Teacher of the Year has been a long road. First, a small committee of teachers from the high school distributes forms to the other teachers requesting nominations. Some of the requirements are that one has to spend at least 90% of their time teaching and one must have been a teacher for at least five years, as well as have a collegiate professional license. When asked about being selected Teacher of the Year, Mrs. Archie is for a moment overwhelmed and speechless. She then states that she feels "excited, very honored, proud, and enthusiastic." In closing, Mrs. Archie suggests some advice to future teachers. "Teaching is a wonderful and honorable profession. It is rewarding to have the opportunity to work with young people and watch them grow as individuals. One should not come into the profession with many preconceived notions. One should get to know the students and work with their learning styles. A teacher has to be passionate. Come in with a good positive attitude. You're here to help children learn. That's the major goal."

Mrs. Archie smiles pretty for the camera.

YEARBOOK

STAFF

Every yearbook staff adds its own flair to the yearbook. Whether it is their style of writing, or their style of creativity. This year's staff had a variety of students who put their unique touch to each of the layouts. Being a yearbook staff member does not mean just taking pictures and hanging out in a classroom for a year. As yearbook staff members, we had to crop pictures, identify people correctly and design layouts for our yearbook. This year's yearbook staff consisted of eleven hard working students and teachers. They are Tiffany Pruett, Anita Diaz, Cantriece Kelley, Erin Jimison, Ashley Story, Ryann Messer, Jamelle Brown, Chris Clark, Mary Nobles (Social Coordinator), Rosemary Waselchalk (Editor), Mrs. Hipps and Mrs. Almarode (Advisors/Sponsors). The objective of the staff members was to make this year's yearbook one to be remembered.

In a flash you were gone, just swept away
We are all in shock and total dismay
Why did this happen we ask everyday
But there are no answers that come our way
So we lean on each other as we gather here to pray
In remembrance of you, we come together today

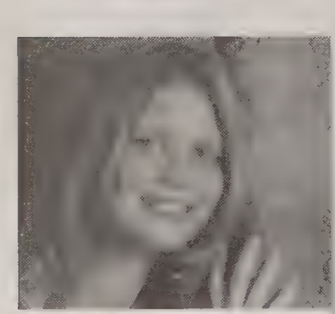
Angels Are Never Forgotten

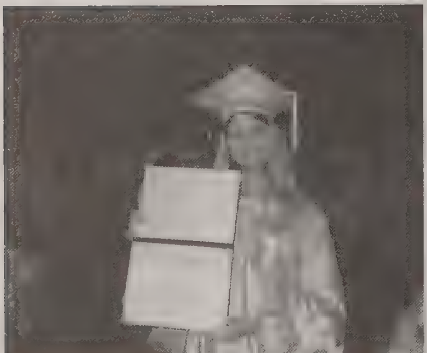


So I Won't and I Will

It's hard to accept that you
are gone,
So i won't
It's hard to stop crying from
missing you,
So i won't
It's hard to realize how
early you have left,
So I won't

It's easy to remember the
angel you are,
And I will
It's easy to still love the
woman you grew to be,
And I will
It's easy to still talk to you
even if it's not the same,
And I will
Forget you, I won't but miss
you, I will.

By: Rosemary Waselchalk

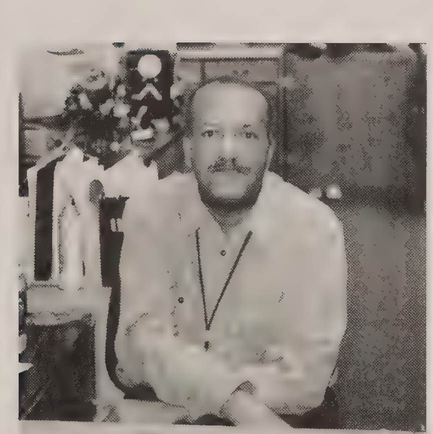


There are many angels who walk among the living, one of those angels, now parted was Stephanie Diane Story. She was born on December 29, 1984 and was called home by God on August 28, 2003. Her favorite animals were hippos and penguins. She liked hanging out with her friends and her favorite cartoon character was Tinkerbell. Now, Stephanie is a Guardian Angel watching over, keeping her loved ones safe. Until the day we can see her again, she is forever in our hearts.

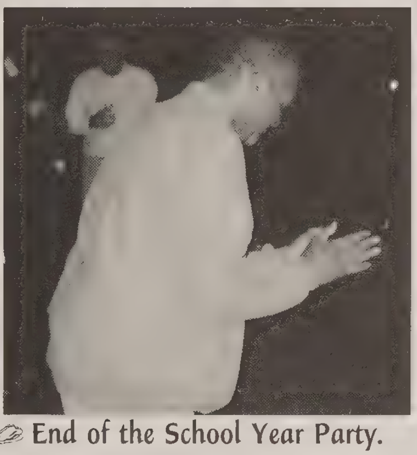
Among the Best to be Remembered

in memory of

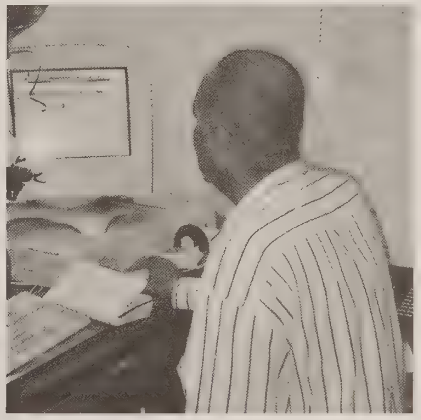
Gilbert Bradley



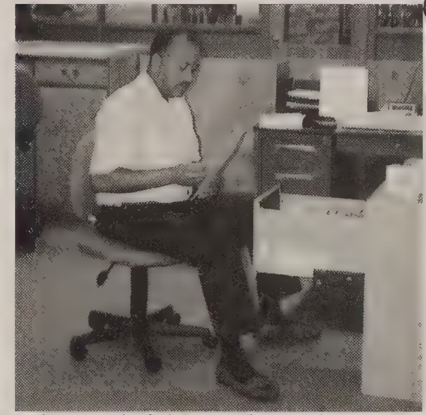
Mr. Bradley sits at his desk.



End of the School Year Party.



Looking up a student in records.



Filing sub folders after a hard day at HHS.

You are one of those to be remembered for as long as life goes on. We miss coming into the office just to hear a joke or to make those boring days go by faster. When we would come into the office mad, you would make us happy. Many days could just get a little more fun with you. If we could choose to have you here again, we would invite you back. You are here in our hearts forever Staff and Students of HHS.

Mr. Bradley dresses to impress.
